### Technical Information

#### Applications

This turfgrass mixture will germinate quickly to prevent soil degradation and provide erosion control in all conditions. This mixture will rapidly anchor into the soil substrate, later transitioning to a permanent crop and decreasing the likelihood of weed encroachment. Contractor's Mix is a great choice for erosion control, construction sites and extended cover.

#### Maintenance

Seeding Rate:	6-10lbs/M*
Mowing (Recommendation):	1.5-3"
Mowing (Down to):	1"
*M=1,000 square feet
